

FAITH homeschoolers Enrollment Contract

We are enrolling our child (ren) in FAITH's 2008-spring semester. We understand our commitment is for the full semester. We have not enrolled our children in classes for which they do not meet age requirements without prior Leadership Team approval.

We have read and understand FAITH's **Statement of Faith** and agree to respect these as the doctrinal beliefs upheld by FAITH's Leadership, Teachers and Vendors.

We have read and understand FAITH's **Rules and Regulations** including the Hold Harmless Agreement.

We have read and understand FAITH's **Tuition and Registration Policies**. We agree to pay the registration fee and all fees associated with the classes we have chosen for enrollment. We understand that if we withdraw our children or they are dismissed from FAITH, refunds will not be granted. I also understand that classes cannot be held without complete payment with registration.
