

Rules and Regulations

Thank you for joining *FAITH homeschoolers*. The following are our rules and regulations:

1. **Respect for Carson Valley Christian Center property and staff:** All students and participants are asked to show respect for the facilities and staff of the church. In this light, we ask that noise be kept to a minimum and that students be accompanied by a hall monitor during class hours. Older students may go to the restroom unaccompanied during class sessions. We want church staff and visitors to have a good impression of Homeschoolers and this can be achieved through our actions while on campus.
2. **Behavior:** All students will respect teachers, vendors, participating parents and other students in our program. Should a student repeatedly demonstrate disrespect or disobedience for instructors and other students his/her parent will be asked to “sit in” class with that student until the behavior improves to the satisfaction of the instructor. If the situation does not improve, the student and parent will need to meet with the leadership team to re-evaluate participation in the program.
3. **Stay inside the building:** No participating children will be allowed outside of the church facilities unaccompanied. We are not far from a very busy road and the parking lot is not a safe play area.
4. **Student expectations in the classroom:** Students should arrive on time to their classes and complete their assignments for the next class as instructed. In case of an absence please contact your teacher for missed classroom work. Raise your hand rather than interrupting and listen attentively in class. Do not visit with classmates while the teacher is speaking. Inappropriate attitudes and language are not acceptable and will be subject to discipline. No distracting electronic games or devices may be used in the classroom.
5. **No food or beverage in classrooms:** Please be sure to have your children eat lunch before arriving to class. No snacks will be served during class sessions (except in the pre-k program) and food is not allowed in the classrooms.
6. **Parent Work Scholarship:** Scholarships are available on an “as needed” basis. If you are a recipient of a scholarship we ask that you volunteer in such areas as teacher, cleanup, hall monitor or teacher aide. Volunteers will be assigned as needed.
7. **Parent Responsibility:** Parents will not be required to stay unless they are volunteering. Parents will need to provide contact information and be reachable at all times. Parents will be required to sign their child in and out. *This must be done by the child's parent only.* With the exception of the older students that drive themselves, no student, under any circumstances, may leave the campus unless accompanied by their parent. Driving students may not take other students off campus in their cars. Parents please pick up your students promptly after their classes are over. We must not have unattended students waiting for their parents to arrive.
8. Participation in FAITH homeschoolers and its associated activities is a privilege. The leadership, if faced with continuing conduct violations by a participant, can terminate the participant's enrollment without a refund.
9. By enrolling your children in FAITH homeschoolers you agree to the following: FAITH homeschoolers, its members, instructors, and Carson Valley Christian Center assume no liability and make no assumptions of risk for anyone attending FAITH'S Homeschool classes. In addition, parents are directly responsible for the actions of their children. Compensation for injury or damages, either deliberate or accidental, shall be borne entirely by the responsible family.
