

FAITH homeschoolers Tuition and Registration Policies

Tuition Policies

The Leadership Team, teachers and vendors work together at determining the tuition amounts for classes. Every effort has been made by the Team to include both the aspects of appropriate compensation for the instructor and affordability for the families.

When considering classes, the Leadership team has accepted proposals from the vendors and has taken into consideration the nature of the class, preparation time, and difficulty of the subject. We have negotiated what we think to be the best price for the quality classes offered.

Teachers have submitted their course to the team with a materials fee, which may include any combination, and addition to the following: workbooks, materials for projects, visual aids, etc.

Tuition Obligations

The FAITH Leadership Team, vendors, and teachers trust that families will fulfill their enrollment contract by participating in the full school year. We recognize that in some cases, families have to drop classes due to unavoidable and extenuating circumstances such as major health problems, financial changes and relocation. In order to serve both instructors and families, the following policies apply to all members taking FAITH classes. In extenuating circumstances, other than those mentioned above, tuition obligation will be evaluated by the Team on a case-by-case basis.

1. Registration day until the day classes begin is the grace period to drop a class. Registration fees are not refundable. However, tuition fees.....
2. Dropping a class after the first full month of enrollment would obligate the families for full payment of the class.

Tuition and Registration Fee Collections:

Tuition will be collected, along with your registration fee, on registration day. This day will be widely publicized for all to have prior knowledge. If your child is taking a class that has a one-time fee, the total amount will be expected at registration. However, if you are taking a class set on a month-to-month payment plan, the registration fee plus one month's tuition will be collected together at registration.

The registration fee per family will be a one time annual payment of \$15.00. These monies will go to support our website, offer scholarships, and to buy any supplies needed outside the classrooms. This fee will be collected on registration day.

Registration Policies:

Classes cannot be held for students without complete payment of both tuition and registration on the assigned day. Parents are to register their students and submit payments. Please do not send your older children to register themselves or their siblings. If a parent is unable to attend on registration day, please contact one of the Leadership Team coordinators.

There will be no registration on the first day of classes due to the Leadership Team's focus being on orientation information, answering questions and on running a well organized program.

The date of registration will be publicized primarily through email and word of mouth. The schedule, description of classes, necessary forms and fees will be available on our website.

At registration, please have completed the following forms:

- Registration Form
- Medical Release Form
- Enrollment Contract
